LORI GLASGOW  
EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF REVISIONS TO THE  
GOLF COURSE GREEN FEES SCHEDULE  
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

**SUBJECT**

Approval of the recommended actions will revise the Department of Parks and Recreation's Golf Course Green Fees, effective September 1, 2016. The recommended revisions to the Golf Course Green Fees are based on the annual review of the green fees charged for similar services by neighboring municipal and public golf courses.

**IT IS RECOMMENDED THAT THE BOARD AFTER THE PUBLIC HEARING:**

1. Find that these actions are exempt from the California Environmental Quality Act pursuant to the Public Resources Code and sections of the California Environmental Quality Act Guidelines as cited herein.
2. Adopt and instruct the Executive Officer-Clerk of the Board of Supervisors to sign a resolution to revise the Department of Parks and Recreation's Golf Course Green Fees, effective September 1, 2016.
3. Approve revisions to the Golf Course Green Fees Schedule, effective September 1, 2016.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The Department of Parks and Recreation (Department) has completed its annual review of golf course green fees in accordance with a 1980-81 Grand Jury recommendation. The most recent survey (Attachment I) indicate that the Department's Schedule of Golf Course Green Fees (Green Fees) are approximately 22 percent less than the average fees charged at similar municipal and public courses in Southern California. Therefore, increases to the Green Fees are warranted, as outlined in Attachment II.

With the proposed increases, the Green Fees would still remain below the average of the green fees charged by other municipal and public courses. While some fees will be increased, many fees will remain the same. The fees that remain the same will continue to promote and increase rounds of play in the lesser utilized time periods.

The proposed increases to the Green Fees were reviewed to ensure that they are reasonable and cost effective in comparison to other municipal and public courses. The results of this review are reflected in our recommendations, as seen in Attachments I and II. The last revision to the Green Fees was made May 1, 2015.

#### **Golf Course Green Fees and Related Actions**

Since the last revision to the Green Fees in May 1, 2015, the operating expenses, including wages and product and water costs, have increased by an average of 10 percent over Fiscal Year (FY) 2014-15. Furthermore, the amount of funding being deposited into the Golf Course Improvement Fund has failed to keep up with the cost of providing essential maintenance and major improvements to the facilities.

#### **Golf Course Green Fees Increases**

The recommended revisions to the current Green Fees represent a \$0.50 increase for weekday senior regulation play, a \$1.00 increase for weekday regulation play, a \$1.50 increase for weekend regulation play, a \$3.00 increase for weekday tournaments beginning at 7:00 a.m., and a \$3.50 increase for weekend tournaments beginning at 9:00 a.m. All increases are for Regulation 18-Hole golf courses only. There are no proposed increases for Junior Green Fees, annual Senior Cards, 9-hole, Executive, and Par 3 golf courses.

### **Implementation of Strategic Plan Goals**

The proposed recommendations are consistent with the County Strategic Plan Goals of Operational Effectiveness/Fiscal Sustainability (Goal 1) and Community Support and Responsiveness (Goal 2), by ensuring that appropriate revenues are realized to offset necessary operating costs, which allow the Department to provide the golfing public with consistently well-maintained golf courses and while maintaining the golf course green fees in accordance with the 1980-81 Grand Jury recommendations to annually review golf green fees, throughout, to ensure fair market pricing.

### **FISCAL IMPACT/FINANCING**

The recommended actions will result in an estimated rent revenue increase of approximately \$344,000 in FY 2016-17 and \$413,000 annually in future fiscal years, which will be utilized to fund water cost increases in various golf courses throughout the Department. In addition, the recommended actions will result in an estimated Golf Course Capital Improvement Trust Fund revenue increase of \$66,000 in FY 2016-17 and \$80,000 annually in future fiscal years, which will be utilized for capital improvements at regulation 18-hole golf courses.

### **Operating Budget Impact**

The recommended actions will provide an estimated rent revenue increase of \$344,000 in the Department's FY 2016-17 Operating Budget. The Department's budgeted revenue will be adjusted in the appropriate fiscal year, as the annual estimated revenue of \$413,000 is collected.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The recommended revised Green Fees were reviewed to ensure reasonableness and cost effectiveness in comparison to other municipal and public agencies. The results are reflected in our recommendations and Attachments I and II. The last revisions to the Green Fees were made on May 1, 2015.

In accordance with Section 50402 of the Government Code, these changes must be approved by a resolution of the Board.

County Counsel has approved the attached Resolution as to form.

## Public Hearing Notice

Public Hearing Notice requirements of Government Code Section 6062a have been satisfied and public hearing requirements of Government Code Section 66018 for fee increases will be satisfied by this action.

### **ENVIRONMENTAL DOCUMENTATION**

The proposed actions are for the purpose of: (1) meeting operating expenses, including employee wage rates and fringe benefits and/or (2) purchasing and leasing supplies, equipment or materials, and, therefore, the proposed actions are not subject to California Environmental Quality Act pursuant to Section 21080(b)(8)(A)(B)(C) of the Public Resources Code.

The proposed actions also do not meet the definition of a project according to Section 15378 (b)(4)(5) of the State California Environmental Quality Act Guidelines because the actions are administrative activities of government, which, by their terms, do not involve any commitments to any specific projects which may result in a potentially significant physical impact on the environment.

### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The recommended fee increases are not anticipated to have a significant impact on services provided by the affected facilities. The public will be notified in advance of the effective date of the increases with posted notices at each golf course.

**CONCLUSION**

It is requested that three conformed copies of the action taken by the Board and three fully executed copies of the attached Resolution be forwarded to the Department of Parks and Recreation.

Should you have any questions please contact Jorge Badel at (626) 821-4649 or jbadel@parks.lacounty.gov, Kasey Dizon at (213) 738-2986 or kdizon@parks.lacounty.gov, or Kaye Michelson at (213) 738-2955 or kmichelson@parks.lacounty.gov.
